Pedigrees from the Plea Rolls.

By Major-General the Hon. GEORGE WROTTESLEY.

The following notes from the Plea Rolls in the Public Record Office have been taken at various times, whilst engaged in searching the Rolls of the Courts of Law, for suits which throw light on the history of Staffordshire. In the process of examining the Records for this object, I come frequently upon cases which are of considerable interest for the history of other Counties, and as they will be useful to archæologists and future County Historians, and I know of no more appropriate destination for them than the pages of "The Genealogist," it is proposed to lay them, from time to time, before the readers of this Magazine.
