*** An enlarged edition of the article on *Youghal*, inserted in the present volume, was printed in 12mo 1851, edited by the Rev. Samuel Hayman: see the Gentleman's Magazine for August 1851, p. 174.

It may also here be mentioned that the researches of the historian of Cheshire relative to the *Family of Norres*, have been printed at length in the Papers of the Historic Society of Lancashire and Cheshire, subsequently to the appearance of the article in pp. 357–382, in which the Editor received the advantage of the co-operation of that gentleman.
